MEMORANDUM FOR: Chief, FE Division

ATTENTION : [redacted]

SUBJECT : Assignment of Three JOT's to Branch [redacted] 25X1

REFERENCE : Your memo, same subject, 19 June 1956

1. Arrangements have been made to assign [redacted] 25X1
[redacted] beginning 2 July 1956. It is tentatively planned
that she familiarize herself with the work through usual tasks
necessary for an understanding of Headquarters procedures, and
also spend part of her time studying French until the latter part
of October, when she will enter the Operations Course #3.

2. At present no JOT's are available for assignment to the
other positions on the [redacted] 25X1
It is
hoped, however, that among the class entering on 2 July there
will be JOT's who, after their formal training, can be appro-
priately assigned to these positions. Chief/JOTF will check out
this matter during the course of the summer.
